

2016 Northeastern University Summer STEM Program

**Are you a middle school engineer,
mathematician or scientist?**

Are you interested in:

- **Science, technology, engineering and math and have an A or B average in your science and math classes?**
- **Learning from Northeastern University students and professors like a real college student?**
- **Going on cool science trips and doing hands-on experiments in college labs?**

If you will be in sixth, seventh or eighth grade in 2016-2017 school year, visit www.stem.neu.edu/nussp to find the online application: due March 31st! The program will run July 11-28, Monday-Friday 8:30 am—4:00 pm* and is completely FREE!

*Note: This is a commuter, day program. No transportation or housing will be provided. Student drop-off will begin no earlier than 8:00am and pick-up will be from 4:00-4:30 pm.
